BECAUSE IT'S ALL ABOUT OTHERS!

If you love Jesus, love young people and love to see the two meet, then the New Generation Team Year is for you!

God's doing great things in the schools of the UK and Europe, and even though New Generation's only been running for a few years we're already seeing thousands of young people coming together from all different backgrounds and churches to pray and share the message of Jesus in their schools. This is great news, but it's still just the beginning! Jesus said that the harvest is great, but that the workers are few, and we're passionate about training workers and raising up young leaders who are devoted to inspiring, training and supporting a young generation of young people living out their faith in the school world.

That's why we want to invite you to come and join the NG Family by being part of one of our Teams during 2012/2013. It'll be an amazing and intensive year where you'll be part of an exciting move of God that's putting Jesus back in schools across the nation and all over the world. You'll get to see how much is on the inside of you and how much you can do for others and all for God's glory. It'll be a year of complete revolution, both for you personally and for others through you!

We look forward to reading your application!

Richard Louis
UK National Leader

YOU CAN APPLY FOR THE FOLLOWING TEAMS:

UK TEAM

You will be working at our Birmingham base. This includes sharing the New Generation vision, visiting school groups, building contacts, supporting and resourcing members, and growing the UK work. There are many other practical jobs and a lot of your time will be spent on the road.

MEDIA TEAM

As a part of New Generation's Media Team your main task will be to work with layout and design, websites, music, production, multimedia, article-writing etc. You will be part of a creative team who invest their resources and talents to produce effective and fresh material that groups can use to reach out and make Jesus known at their schools. You'll also be able to work with film, trailers, production of newsletters and info packages and lots of exciting and creative projects.

COMMON FOR ALL TEAMERS

IMPORTANT DATES

The Team Year lasts for 10 months. It starts on Thursday 23rd August 2012 and ends on Friday 14th June 2013.

EDUCATION

The year is kicked off with an intensive team training that lasts about 10 days. This is when we'll teach you all the skills you need to go and serve the groups, either through media or by being part of the regional team. We also have regular slots throughout the year where we pull the whole team together in what we call Refuel. These are two or three day periods when we report back about what's happening all over the country and spend time together in prayer and just generally to have fun.

COST

It costs £300 a month, which makes a total of £3000. That includes all your food, accommodation, and NG-related travel. The only thing you need except the monthly fee is what you use for pocket money.

To team with New Generation is a full-time commitment therefore we do not allow any volunteers to have a part-time job. Many of our previous interns have raised money through sponsorship, either from their local church or friends and family.

HOLIDAYS

There is a Christmas break that lasts around two weeks and also an Easter break that will be roughly 10 days. We will be able to give you more details after you have applied.

For other questions, contact our Team Coordinator Jenny Carlsson.
